

.i~ta'o~pa~glibau~ku~te~fanva~dei~fu~zoi~.kuot. A short song about a long number. 3.142 is a number; it is not the golden ratio. 3.14159 is not the exponential e. Platter bread is very tasty food, no? Anyways, the number that is approximately 3.142 is  $\pi$ . By the way, an English translation of this utterance is "this utterance" .kuot.~tu'u~.i~mi~sanga~lo'u~pai~le'u~gi'e~sisti~.ai
